

Smyrna High School Band Financial Commitment for 2025-2026

The SHS Band offers an incredible educational experience that involves a comprehensive and competitive curriculum, but with that brings a budget that costs nearly \$1,000/student. The Band and the Band Boosters do help to cover a large percentage of that cost through fundraisers (so please participate in these when they do happen). In addition, we ask that the student's family commit to paying a portion of \$600 (which averages to be only \$60/month). **This amount is for the whole year of band/guard, not just for the cost of "Band Camp"**. We know it is difficult sometimes in deciding how you spend your money, but we ask you to consider this to be an **investment** in your child's education and overall quality of life, as well as giving them the foundation for potential music scholarships for college.
