Concert Etiquette Reminders

So everyone can enjoy the concert to the fullest:

Please silence all phones and electronic devices.

We ask that any pictures/videos taken during performances be done from the back of the auditorium on the left or right sides.

Enter/Exit the auditorium **ONLY** between pieces.

Exception– it is preferred to take crying/noisy children to the lobby as soon as possible.

Close the doors gently so they do not slam shut.

We encourage and appreciate applause, but:

Please wait until each piece is completely finished.

Note– some music will have multiple sections before it is over.
